Data Protection and Privacy

We may contact you by post, phone, SMS text message and email for the purpose of executing and maintaining your rental agreement. We will also use the information to communicate with you regarding the upkeep and maintenance of your vehicle and informing you of any safety related issues which may require us to pass your information to the manufacturer of the vehicle which, by signing this agreement, you authorise us to do.

We may also pass your information to our other Group Companies, authorised dealers and other selected providers of products and services which may be of interest to you and for market research purposes. We will not sell or pass your data to other third parties that do not offer products or services unless the third party is contracted by Evolution Funding Limited to provide products and services related to or that are beneficial (in our opinion) to the performance of the rental agreement provided. You can opt out of receiving this information at any time by emailing operations@evogo.co.uk.

What the credit reference agencies will do:

a) Whether or not your application proceeds, credit reference agencies will place on your credit file a record of our search. This includes searches of principal directors. The record of that search will NOT be seen by other organisations when you apply for credit in the future. A large number of applications within a short period of time could affect your ability to obtain credit.

b) The agencies may supply to us credit information such as previous applications and the conduct of accounts in your name and of your financial associate(s) and any business accounts you have, public information such as County Court Judgements and bankruptcies and Electoral Register information, and fraud prevention information.

c) Occasional searches may be carried out throughout the duration of your agreement where required, to ensure the conduct of the account.

How we and others use the agency information:

Some information held by the credit reference and fraud prevention agencies will be disclosed to us and other organisations to, for example: prevent fraud and money laundering by, for example, checking details on applications for credit and credit related or other facilities; checking details on proposals and claims for all types of insurance; checking details of job applications and employees; verify your identity if you or your financial associate(s) applies for other facilities including all types of insurance applications and claims; make decisions on credit, insurance and other facilities, about you, your financial associate(s), members of your household or your business; trace your whereabouts and recover debts that you owe; manage credit and credit related accounts and other facilities; and undertake statistical analysis and system testing.

We and other organisations may access and use from other countries the information recorded by fraud prevention agencies. The information held by these agencies may also be used for other purposes for which you give your specific permission or, in very limited circumstances, when required by law or where permitted under the Data Protection Act 1998. If you want to receive details of the credit reference and/or fraud prevention agencies from whom we obtain and with whom we record information about you, please write to us at Evolution Customer Services, Thompson Close, Chesterfield, S41 9AZ. You have a legal right to these details. You have a right to know the information we hold about you if you apply to us in writing. A fee may be payable.
